**InfoNile: Defamiliarizing the Nile story through geo-journalism to gain new perspectives**

**By Fredrick Mugira. Founder WJA/cofounder InfoNile**

# Who are we?

A group of 500 cross-border geojournalists with a mission to uncover critical stories on water issues in the 11 countries of the Nile River Basin through data-based multimedia storytelling.

Flagship project of Water Journalists Africa.

Implemented by **giz** Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH

Partnership Programme for Water and Development

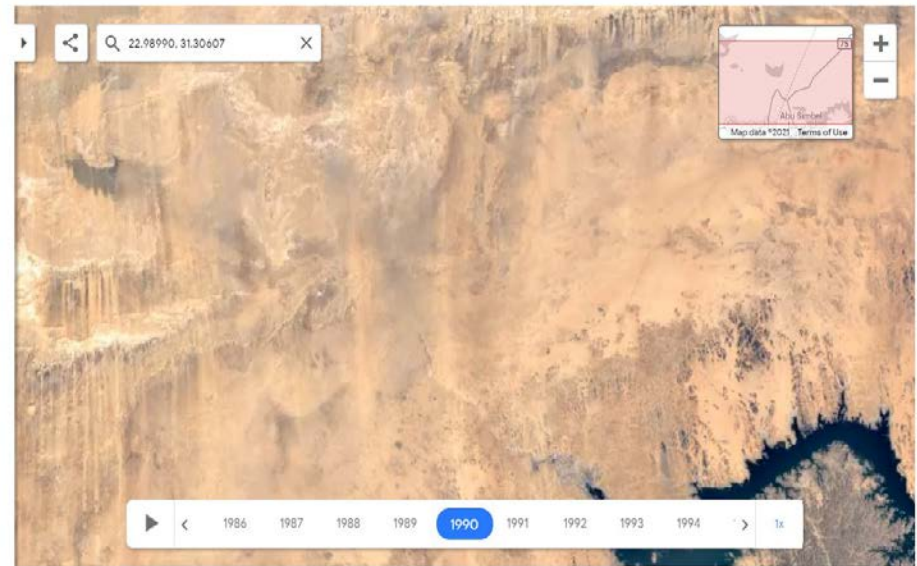

# How do we do it.

Location of Dominion Farm near Kisumu, Kenya

Home Ethiopia Sudan **Egypt** Kenya Congo Uganda South Sudan Summary  
and residential communities, and generate 45,000 new jobs every year to accommodate 4-6 million Egyptians in 10 years.

## Toshka Project Development

But years have gone by, and Egypt has not noticeably benefited from the Toshka project. The crisis of overpopulation in the Nile Valley and the issue of food security remain unresolved. The project has, however, achieved considerable success for some foreign investment companies.

**Satellite imagery : Google maps, Google Earth, Google Timelapse and Digital Globe.**
